

# Course Syllabus

## STEWARDSHIP MATH / FINANCIAL PEACE

Instructor: Beulah Hammond

Email: [bestschooloflearning@verizon.net](mailto:bestschooloflearning@verizon.net)

### COURSE DESCRIPTION:

This course will be both conceptual and practical. Students will review all relevant mathematical concepts as well as learn the details of personal finance and consumer mathematics in great depth and from a Christian perspective. Students will participate in relevant projects and activities throughout the year in addition to working standard mathematical calculations. They will learn that it is an advantage to live debt-free and be given the tools for doing so.
